ORGANISATIONAL CHART

FREEDOM TO ACT

The postholder will work autonomously, in line with Trust Policies and Standard Operating Procedures under the direction of the designated HCPC Registered Allied Health Professional.

The post holder should raise concerns or any matter outside of their scope of competence, to the Registered member of staff or appropriate person.

Work will be prioritised work according to time scales required considering any clinical risks.

Work within organisational Policies, Procedures and Standard Operational Procedures (SOP) and knowledge of where to reference these.

Is responsible for taking decisions alone in emergency situations e.g. finding a collapsed patient.

COMMUNICATION/RELATIONSHIP SKILLS

The post holder will communicate effectively across a wide range of channels and with a wide range of individuals, the public and health social and care professionals. They will use both verbal and non-verbal methods of communication, dependent on the needs of the patient and address communication barriers.

They should demonstrate the interpersonal skills that demonstrate empathy, compassion, courtesy, respect and trust recognising the individual's right to privacy and choice.

Effectively communicates information relating to patient's health and treatment. Utilises interpersonal skills, with support from the registered practitioner to support patients, relatives and carers in the decision-making process regarding their care.

Ensure clear, concise, accurate and legible records and all communication is maintained in relation to care delivered, adhering to local and national guidance.

Awareness of different communication needs of patients, carers and relatives.

Ensure all patient related information is treated sensitively and adhere to the principals of confidentiality at all times.

The postholder should be able to challenge constructively within the multidisciplinary team, in an appropriate and professional manner, whilst acting as the patients advocate.

ANALYTICAL/JUDGEMENTAL SKILLS

The postholder will exercise personal responsibility and work independently within defined parameters of practice and their scope of competence, taking the initiative in a variety of situations and performing a range of clinical interventions, consistent with their role, responsibilities and values.

PLANNING/ORGANISATIONAL SKILLS

The postholder will be responsible for working in an effective and organised manner, prioritising the clinical needs of their patients, demonstrating excellent time management and organisational skills to effectively deliver person centred care.

The postholder will deliver care based on the risk assessments completed by the registered professional and following the individual patient's care plan.

PATIENT/CLIENT CARE

The postholder will be in direct contact with patients, performing clinical interventions and supporting the health and wellbeing of the patient. The frequency and level of contact will be determined for each patient based upon their individual needs, as set out in the patients care/treatment plan.

The post holder will;

- Implement clinical treatment packages related to their clinical skills.
- Demonstrate own clinical competence developed through continual professional development, reflective practice and maintenance of clinical competencies.
- Work pattern may require a schedule of patient visits with frequent concentration for treating and interacting with patients/carers etc. The workload is unpredictable and subject to change and interruption i.e. calls being re-prioritised, interactions with work colleagues, family/patients/carers needs.
- Contributes to holistic assessments of patients.
- Develop skills to recognise risk factors to staff, patients and carers within the healthcare setting.
- Report any untoward incidents, complaints and clinical emergencies to the appropriate professional within an appropriate time frame.

POLICY/SERVICE DEVELOPMENT

The postholder will:

- Adhere to legislation, policies, procedures and guidelines, both locally and nationally.
- Promote health and safety at all times.
- Share ideas with colleagues to improve care and suggest ideas for innovation.
- Participate in audit activity undertaken in area of practice.

FINANCIAL/PHYSICAL RESOURCES

Ensure the efficient use of resources.

Exercise personal duty of care in the safe use and storage of equipment. Be environmentally aware and prudent in the use of resources and energy.

Ensure safe keeping of patient property, in line with Trust policy.

Ensure that adequate stock levels are maintained through standard ordering procedure, non-stock requisition and sourcing individualised resources through procurement.

Assessing and ordering equipment needs to support patients within the home setting.

The postholder will monitor stock levels within department

HUMAN RESOURCES

Act responsibly in respect of colleague's health, safety and welfare following safety at work practices, whilst working in compliance with local health and safety policy and guidance.

Recognises and respects equality and diversity, demonstrating an inclusive approach in all environments.

Understands the importance of role modelling and participates in the training and supervision of staff as appropriate to the postholders' competency.

Ensure adherence to safe lone working practices and use of staff tracking systems.

Participate in supervision and annual appraisal with a registered professional to support professional development.

Individual responsibility to complete mandatory training in line with electronic staff record.

Supports the registered professionals with Health and Wellbeing activities in the team e.g. act as a Health and wellbeing champion for the team.

To support other teams/areas where clinical risk has been identified

INFORMATION RESOURCES

Recording, storing and providing information in relation to patient records following GDPR guidance.

Accurately completing and maintaining effective patient's records, both written and electronically.

Completing electronic patient activity effectively to facilitate data collection.

Recording and storing information on relevant IT systems.

Follow all information governance guidance and policies, maintain confidentiality as outlined within Trust policies.

RESEARCH AND DEVELOPMENT

The postholder will engage with local audit in their clinical areas focused of maintaining and improving standards

PHYSICAL SKILLS

The postholder will demonstrate skills of manual dexterity and manipulation of clinical instruments and equipment, in line with appropriate training.

The postholder will need to demonstrate keyboard skills to support their own learning and entering information into the patient record system.

PHYSICAL EFFORT

The postholder will be required to use a combination of standing / walking / bending / stretching / pushing / pulling / carrying throughout the shift.

Driving, including flexibility of moving between environments.

Frequent and moderate effort will be required when undertaking moving and handling of individuals and equipment, in line with organisational guidelines.

Manual handling of patients working within the confines of the patient's home.

Ability to work a shift pattern over a 24hr period where the service requires. This may include weekend and bank holiday working.

MENTAL EFFORT

The postholder may be required to work a variety of irregular shift patterns (role dependant), in line with the Roster policy.

A continual level of concentration will be required throughout the clinical shifts in order to provide a safe and harm free environment.

Maintain a professional approach while working in challenging, distressing situations or dealing with challenging behaviours.

Ability to be resilient to the predictable and unpredictability of the workload

Support individuals, families and carers when faced with life changing diagnoses and through periods of end of life care.

EMOTIONAL EFFORT

Working with patients with mental health, learning disabilities and challenging behaviour

The post holder will be required to support the emotional needs of patients, families, and carers experiencing a range of complex and varied clinical conditions, which may be life changing or life limiting.

WORKING CONDITIONS

The postholder will be working in a busy and potentially noisy environment and will be subjected to a range of bodily odours, with the expectation of being able to support patients with these in a professional and non-judgemental manner.

The postholder may work with patients who make unwise choices and may be exposed to a variety of challenging behaviours and should respond, within their individual competence whilst maintain their own health and safety and that of their colleagues and other patients.

Potential contact with:

- Body fluids e.g. faeces, vomit
- Smells
- Infections
- Dust
- Frequent contact with adverse weather conditions whilst out in the community
- Pets belonging to service users

OTHER RESPONSIBILITIES

Contribute to and work within a safe working environment

You are expected to comply with Trust Infection Control Policies and conduct him/herself at all times in such a manner as to minimise the risk of healthcare associated infection

As an employee of the Trust, it is a contractual duty that you abide by any relevant code of professional conduct and/or practice applicable to you. A breach of this requirement may result in action being taken against you (in accordance with the Trust's disciplinary policy) up to and including dismissal.

You must also take responsibility for your workplace health and wellbeing:

- When required, gain support from Occupational Health, Human Resources or other sources.
- Familiarise yourself with the health and wellbeing support available from policies and/or Occupational Health.
- Follow the Trust's health and wellbeing vision of healthy body, healthy mind, healthy you.
- Undertake a Display Screen Equipment assessment (DES) if appropriate to role.

DISCLOSURE AND BARRING SERVICE CHECKS

This post has been identified as involving access to vulnerable adults and/or children and in line with Trust policy successful applicants will be required to undertake a Disclosure & Barring Service Disclosure Check.

GENERAL

This is a description of the job as it is now. We periodically examine employees' job descriptions and update them to ensure that they reflect the job as it is then being performed, or to incorporate any changes being proposed. This procedure is conducted by the manager in consultation with the jobholder. You will, therefore, be expected to participate fully in such discussions. We aim to reach agreement on reasonable changes, but if agreement is not possible, we reserve the right to insist on changes to your job description after consultation with you.

Everyone within the Trust has a responsibility for, and is committed to, safeguarding and promoting the welfare of vulnerable adults, children and young people and for ensuring that they are protected from harm, ensuring that the Trusts Child Protection and Safeguarding Adult policies and procedures are promoted and adhered to by all members of staff.
