KEY RESULT AREA / PRINCIPAL DUTIES AND RESPONSIBILITIES

To provide advice and guidance to staff in maternity on all aspects of adult and child safeguarding, ensuring that staff understand their role and responsibilities in these areas.

Assist staff in undertaking their safeguarding role as appropriate, with an emphasis on staff development rather than the creation of dependency.

Work with all members of the Safeguarding team to participate in national and local initiatives to protect children and adults from harm and ensure that changes in legislation, learning, information and ideas are disseminated Trust wide.

Work alongside Trust staff to design and develop processes that enable staff to protect individuals at risk.

Assist the Trust in contributing to Devon's safeguarding adult reviews/domestic homicide reviews/safeguarding practice reviews/rapid review processes, writing reports/internal management reviews and disseminating and implementing the findings and recommendations.

Maintain clinical midwifery skills in line with best practice to deliver a safe and effective service.

Co-ordinate holistic care to women and families affected by complex care and safeguarding issues.

There is an on-call element to the role.

Assist the MCA/LPS Lead and Team in ensuring that staff comply with the Mental Capacity Act.

As part of the Safeguarding team:

- identify shortfalls in practice within the Trust or any other deficit, that may leave individuals at risk of abuse, neglect or harm.
- work collaboratively within the organisation, with children, adults and families at risk and across agencies to form partnerships and working arrangements that facilitate effective safeguarding practices.
- develop and deliver safeguarding training and guidance sessions to staff across the Trust.
- lead safeguarding related audits.
- represent the Trust at Local Safeguarding Partnership subgroups as required.
- represent the Safeguarding Team at Trust safeguarding meetings.
- be aware of and provide guidance to staff with regard to the Trust's Prevent strategy.

Undertake project work under the direction of the Named Midwife for Safeguarding, Head of Safeguarding or Associate Director of Safeguarding.

Facilitate good standards of record keeping, report and statement writing.

Liaise with Trust's Legal Team and Devon County Council Legal Services Team to facilitate the Trust's compliance with legal orders and provide support to staff when making statements or attending court.

Provide safeguarding and management support to the Safeguarding Specialists and support/supervision to Health IDVA and the administrative team

Work with the Safeguarding Specialist Operational Lead, Head of Safeguarding or Associate Director of Safeguarding, Employee Resolution and Support Team and the Associate Directors of Care Groups in the management of allegations of abuse/within the Trust.

In order to build upon the achievements of the service thus far, an emphasis is placed upon a team ethos of mutual support and joint decision-making through collaborative effort. The post holder will be expected to work as part of the team to cover the workload

Work with Named Midwife for Safeguarding and the Head of Safeguarding to develop and maintain the Trust's safeguarding policies and ensure that they are adhered to.

Work with the midwifery safeguarding Team to provide clinical supervision to staff as required, ensuring effective case management is in place for complex situations when there are safeguarding concerns

Carry out any other appropriate clinical duties as identified by the Named Midwife for Safeguarding.

KEY WORKING RELATIONSHIPS

No. of Staff reporting to this role: 3

The post holder is required to deal effectively with staff of all levels throughout the Trust as and when required on a day to day basis.

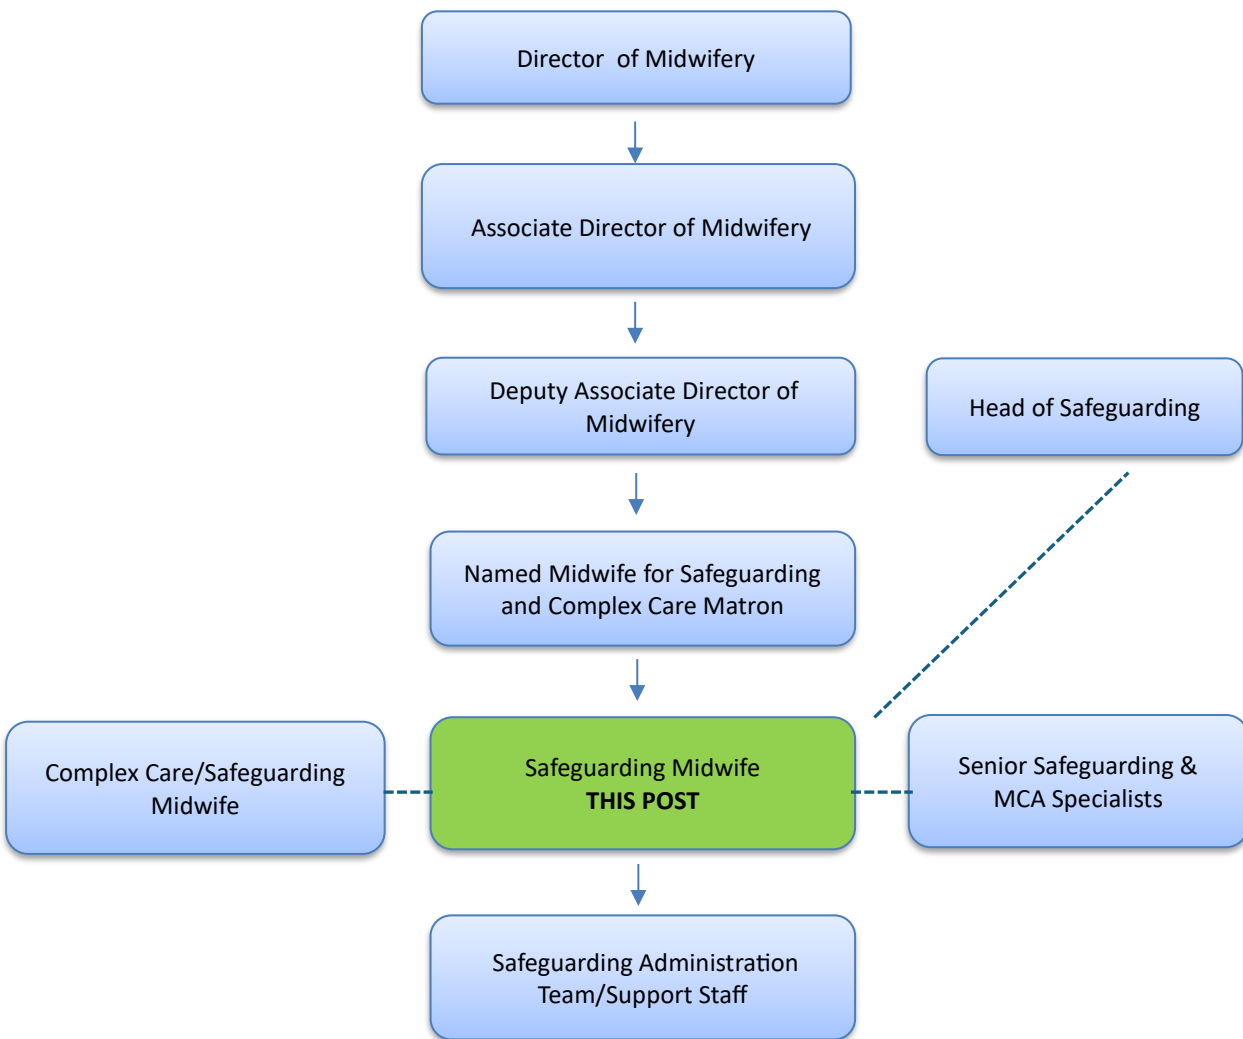

In addition, the post holder will deal with the wider healthcare community, external organisations and the public.

This will include verbal, written and electronic media.

Of particular importance are working relationships with:

Internal to the Trust	External to the Trust
Patient Safety and Experience Team	
PALS	
Clinical Teams	
Trust Legal Team	
Maternity teams	
Safeguarding Team	
Complex Care Team	

ORGANISATIONAL CHART

FREEDOM TO ACT

The role will include a combination of routine and complex queries. It is rare that queries need to go to the Trust's lawyers but you will be expected to identify those that require such action.

The post holder is professionally accountable for all aspects of their own work and managing their own work load, working within their codes of practice and professional guidelines and using their expertise to deal with routine matters, complex queries and other issues, deciding when it is necessary to refer to the Head of Safeguarding/Safeguarding Specialist Operational Lead

The post holder works autonomously and provides expert safeguarding advice to all members of maternity staff at all levels. The post holder has the freedom to initiate actions and interpret guidance and policies in line with the Trust and service policy. They will seek advice as necessary from colleagues in the Integrated Safeguarding Team and from the Head of Safeguarding/Safeguarding Specialist Operational Lead.

The post holder will be guided by various teams they work alongside and with Safeguarding Team members as well as Trust policies and procedures. Using their own initiative and seeking advice from Managers and the team as required.

COMMUNICATION / RELATIONSHIP SKILLS

The postholder will have the ability to identify, communicate, receive and manage highly complex, sensitive and confidential information.

They will be required to communicate in verbal, written and electronic format.

Communicating complex and highly sensitive information safely between health professionals, agencies and outside Trusts.

Communication will be with a wide range of individuals and groups, both internal and external to the Trust.

The post holder may be required to communicate with parents and family, members of the public and across all levels within the Trust. Some of these communications will be sensitive in nature. Some will be highly complex, requiring excellent communication skills.

ANALYTICAL / JUDGEMENTAL SKILLS

The post holder will be expected to routinely make decisions independently which may involve complex facts/situations.

The post holder will be expected to use their judgement to assess risks and manage solutions safely and appropriately to safeguard the person at risk and their family if required.

To review, assess and appropriately action all safeguarding concern forms, MASH referrals or Safeguarding Children Liaison Forms. To share any additional relevant information available to RDUH with multi-agency partners.

To support staff across RDUH in identifying and acting appropriately when they have safeguarding concerns about children or adults with care and support needs via liaison and communication with all departments that work with them.

PLANNING / ORGANISATIONAL SKILLS

The post holder will be expected to organise their own day-to-day activities, planning of straightforward tasks and organising complex on-going activities.

The post holder should be able to competently plan and deliver a high standard of evidence based training.

PATIENT / CLIENT CARE

The post holder may have face-to-face contact with children, adults and their families where there are concerns and should be sensitive, professional and focussed throughout.

To provide specialist knowledge of safeguarding to the Paediatric and Neonatal teams during prolonged admissions of babies and children, or when planning discharge, where the family or child have been identified as having vulnerabilities or complex needs.

Support staff involved in safeguarding practice.

Provide safeguarding clinical supervision to clinical staff within maternity.

Provide specialist safeguarding advice and support to identified and trained safeguarding supervisors within maternity.

Provide support and facilitate debriefing for staff involved in complex safeguarding cases.

To risk assess domestic abuse information received from Devon and Cornwall Police/MARAC and disseminate to relevant health professionals.

Ensure all record keeping in relation to safeguarding is appropriate, accountable and defensible.

To ensure that the perspective of the person at risk and the promotion of anti-discriminatory practice are incorporated into all aspects of safeguarding practices.

POLICY / SERVICE DEVELOPMENT

The post holder supports the Named Midwife for Safeguarding, Director of Midwifery, Associate Director of Midwifery, Deputy Associate Director of Midwifery, Associate Director of Safeguarding, Head of Safeguarding, Safeguarding Specialist Operational Leads in devising and implementing policies and service changes, along with service development and improvement.

Contribute to the development of policies, procedures, pathways of care and guidelines ensuring they are evidenced based to facilitate discharge planning and ensure patient safety.

FINANCIAL / PHYSICAL RESOURCES

The post holder is responsible for ensuring that the resources of the Trust are used responsibly and report any fraud in line with Trust Policy.

HUMAN RESOURCES

To identify and agree own development needs through the Knowledge and Skills Framework (KSF) Process, to achieve team and Trust objectives and the appraisal process.

To provide advice, support and training to:

- Trust staff
- Students
- Children
- Carers/patients
- Statutory, voluntary and private agencies

Providing supervision, support and specialist advice to staff at all levels within the organisation.

To take an active role in providing safeguarding children supervision.

To create, deliver and review safeguarding children training in line with statutory requirements.

To deliver training each month, or more often if required.

Be involved in the orientation, induction and preceptorship of junior staff.

The post holder is responsible for the day to day management of +/- 6 staff.

INFORMATION RESOURCES

The post holder will be responsible for the handling of statistical information, recording own information, entering data, using computer software, analysing information, monitoring the processing and presentation of extensive and complex data.

Supporting staff in understanding responsibilities of legislative frameworks in relation to information sharing in adult and child safeguarding is a key part of the role. The post holder

should work with the Information Governance Team, Caldicott Guardian and the Legal Services where there is complexity.

RESEARCH AND DEVELOPMENT

To analyse national and local data in relation to safeguarding children/adults to ensure health professionals are alerted to developments and informed of changes.

To contribute to the identification and participation in appropriate safeguarding research topics utilising research methodology.

To ensure that health practitioners deliver services to safeguard children/adults based on sound best evidence, including relevant NICE Standards.

To work closely with the Associate Director of Safeguarding, Head of Safeguarding and Safeguarding Specialist Operational Lead to establish a robust monitoring and audit process for safeguarding children/adults, which promotes improvement and informs the RDUH of areas of good practice and development needs.

To identify and agree own development needs through the Knowledge and Skills Framework (KSF).

PHYSICAL SKILLS

The post holder will be required to have standard keyboard skills.

A high level of concentration will be required for report writing. Flexible working will be required to meet the demands of the post. Communication of complex and highly sensitive information safely between health professionals, agencies and outside Trusts will also be required.

Well-developed listening skills.

Flexible working will be required to meet the demands of the post.

PHYSICAL EFFORT

There is limited physical effort required for this role. The ability to travel between sites is required.

There is a requirement to carry laptop, computer and/or projection equipment approx. (3Kg) to meetings for presentation purposes.

MENTAL EFFORT

Ability to switch tasks and manage multiple strands of work as a result of interruptions and/or arising situations requiring urgent attention.

Periods of prolonged concentration are required when analysing information, writing reports and formulating policies.

The ability to meet high level deadlines within a limited timescale.

Respond to constant high risk demands for urgent advice and consultation.

EMOTIONAL EFFORT

The post holder will be exposed to emotionally demanding situations on a regular basis. They should behave consistently with the values and beliefs of the organisation and promote these on day to day basis.

Be able to act independently, decisively and effectively within responsible areas.

Be able to effectively and appropriately deal with criticism and challenging people and situations.

Frequent exposure to highly distressing information and dealing with bereavement and trauma.

Ability to positively and creatively challenge current thinking in order to develop new and improved policy and working practices.

Be able to influence others from partner agencies to support excellence in safeguarding practice.

The post holder will require emotional resilience and maturity when exposed to highly distressing or highly emotional circumstances for example in working with patients, their families and staff in safeguarding situations, including professional conduct of serious disciplinary cases.

WORKING CONDITIONS

The post holder may be exposed to some adverse environmental conditions, such as noise, stressful situations, aggressive behaviour and a busy environment as well as potential infectious diseases in the hospital or office setting.

A flexible working approach can be agreed with the line manager, including working from home, depending on service needs.

Frequent travel across the county and sometimes regionally and nationally.

The post holder will be required to work across RDUH.

OTHER RESPONSIBILITIES

The post holder will be required to take part in regular performance appraisals.

Undertake any training required in order to maintain competency including mandatory training, e.g. manual handling.

Contribute to and work within a safe working environment.

The post holder is expected to comply with Trust Infection Control Policies and conduct themselves at all times in such a manner as to minimise the risk of healthcare associated infection.

As an employee of the Trust, it is a contractual duty that you abide by any relevant code of professional conduct and/or practice applicable to you. A breach of this requirement may result in action being taken against you (in accordance with the Trust's disciplinary policy) up to and including dismissal.

You must also take responsibility for your workplace health and wellbeing:

- When required, gain support from Occupational Health, Human Resources or other sources.
- Familiarise yourself with the health and wellbeing support available from policies and/or Occupational Health.
- Follow the Trust's health and wellbeing vision of healthy body, healthy mind, healthy you.

Undertake a Display Screen Equipment assessment (DSE) if appropriate to the role.

APPLICABLE TO MANAGERS ONLY

Leading the team effectively and supporting their wellbeing by:

- Championing health and wellbeing.
- Encouraging and support staff engagement in delivery of the service.
- Encouraging staff to comment on development and delivery of the service.
- Ensuring during 1:1's / supervision with employees you always check how they are.

DISCLOSURE AND BARRING SERVICE CHECKS

This post has been identified as involving access to vulnerable adults and/or children and in line with Trust policy successful applicants will be required to undertake a Disclosure & Barring Service Disclosure Check.

GENERAL

This is a description of the job as it is now. We periodically examine employees' job descriptions and update them to ensure that they reflect the job as it is then being performed, or to incorporate any changes being proposed. This procedure is conducted by the manager in consultation with the jobholder. You will, therefore, be expected to participate fully in such discussions. We aim to reach agreement on reasonable changes, but if agreement is not possible, we reserve the right to insist on changes to your job description after consultation with you.

Everyone within the Trust has a responsibility for, and is committed to, safeguarding and promoting the welfare of vulnerable adults, children and young people and for ensuring that they are protected from harm, ensuring that the Trusts Child Protection and Safeguarding Adult policies and procedures are promoted and adhered to by all members of staff.

At the Royal Devon, we are committed to reducing our carbon emissions and minimizing the impact of healthcare on the environment, as outlined in our Green Plan available on our website. We actively promote sustainable practices and encourage colleagues to explore and implement greener ways of working within their roles.
