

Castle Place GP Practice has a unique and exciting opportunity for 5 sessions (21 hours) Salaried GP per week but flexible for the right candidate to join our friendly team. Starting salary is competitive.

Castle Place Practice is part of the Royal Devon University Healthcare NHS Foundation Trust and is uniquely positioned to thrive in the ongoing development of integrated care in the Eastern Devon System. A friendly practice within a market town holding 14,100 patients on its list this is an exciting time to join the team.

As part of an NHS foundation trust, this post will benefit from full indemnity cover, an NHS pension and opportunities for involvement in development projects with the wider organisation. We are located within spacious modern premises adjacent to a community hospital with a wide range of services including radiology, inpatients and urgent care. We are very much a team-based practice with a democratic approach across specialities. We pride ourselves on providing excellent care with a supportive ethos. We meet regularly throughout the day including at morning huddle and coffee.

Our multi skilled team extend to Nurses/ANPs/Pharmacists/Paramedic/Physio and being a teaching and training practice makes this a dynamic place to work. We are one of two practices within Tiverton PCN which makes us an effective size for collaboration. Work life balance is important to us and maintaining enthusiasm for general practice through learning and development. Homeworking for 1 day a week is possible if preferred and through teamwork we do not let work accumulate.

As we strengthen our partnership with the Royal Devon University Healthcare NHS Foundation Trust, which delivers acute, community and primary care across the region, we are developing opportunities for greater collaboration with a huge range of specialties and this will include opportunities for portfolio working to enhance the care provided to patients as well as strengthen our local workforce and we are keen for this post to be part of developing these opportunities.

As an organisation, we are able to provide Tier 2 sponsorship

If you feel you have the qualities to become part of the Castle Place team, we would be pleased to hear from you and welcome informal visits.

The Royal Devon University Healthcare NHS Foundation Trust provides Acute and Community services across Exeter and East Devon serving a population of more than 450,000 people. In our latest CQC full inspection of our services, the Royal Devon received an overall rating of "good". We were rated as "outstanding" for our Emergency and Critical Care services, and for Caring Trustwide.

The Royal Devon University Healthcare NHS Foundation Trust has been ranked as the joint best performing non-specialist Trust in the country for overall patient experience of care in the 2016 Care Quality Commission (CQC) Adult Inpatient Survey.

The main hospital site is in the historical Cathedral city of Exeter that has abundant family amenities and beautiful surrounding countryside. It is situated in the middle of the South West Region with easy access to the countryside and coast of Devon and Cornwall. It is well served by rail, road and air links. Good educational facilities such as the University of Exeter and good Ofsted rated schools are available locally. Our Community sites are equally well positioned and are a good place to work.

Enjoy a good quality of life in the South West and be part of our caring workforce.
