

Note , this is an example of what the two month rotation will look like with four staff working as pairs within the Long Day Role. Whilst two staff are working their month on Long Days, the other two will be working standard short day shifts. At the end of the months, the duties will be rotated. Below shows a 16 week rotation, sum of 600 hours which is an average of 37.5 hours per week.							
Key							
11 = 08:00 - 20:00							
11.5 = 07:30 - 20:00							
8 = 08:00 - 16:30							
08:00 - 16:00							
08:30 - 16:30							
09:00 - 17:00							
Admin 09:00 - 17:00							
Admin 08:30 - 16:30							
	Week 1						
	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday	Sunday
