

JOB DESCRIPTION

1. JOB DETAILS

Job Title:	Administrative Line Manager
Band:	5
Responsible To:	Administrative Services Manager / Clinical Service Manager
Accountable To:	Clinical Service Manager
Department/Division:	Urgent Community Response Community Services

2. JOB PURPOSE

The Administrative Line Manager is responsible for the line management of administrative and clerical staff and the day to day running of administrative functions. Specifically, the post holder will:

- Ensure that all staff are managed appropriately and within the parameters set by the Clinical Service Manager and Admin Services Manager
- Ensure that the administrative service is appropriately resourced and the work is closely aligned to the needs of the Trust's strategic agenda and direction
- Ensure that administrative services function effectively on a day to day basis, supporting the needs of Service Lines and their patients
- Support and motivate the administrative workforce to focus on the needs and experience of patients
- Promote a culture of continuous improvement and share this knowledge across the trust to improve efficiencies, increase patient care and drive down costs
- Ensure implementation and continual compliance with relevant Standard Operating Procedures (SOPs)
- Ensure all information is secure and confidentiality of information is maintained at all times
- Provide excellent customer care which may include communication with distressed and anxious patients and relatives, treating them with tact and empathy
- Ensure the professional image of the Trust is maintained at all times

The Urgent Community Response SW Team Manager will be based at an Exeter Community site within the Community team.

The post holder will fulfil all tasks and work as part of a management team. In order to meet the needs of the service, the post holder may be required to work in other areas throughout the Devon locality as they are an Integral part of Community directorate. The geographical area is Exeter and surrounding area. Although primarily office based, travelling will be required across the locality to meet with staff and attend meetings on behalf of the service.

3. DIMENSIONS/ KEY WORKING RELATIONS

The post holder is required to deal effectively with staff of all levels throughout the Trust, the wider Healthcare community, Devon County Council external Organisations and the public.

Key relationships include:

- Urgent Community Response Support Workers
- Team Coordinators and Clinicians
- National Health Service Professionals
- Domiciliary Care Agencies

- Administration Staff
 - Other Team Leaders in the service
 - Service Users/Patients
 - Out of Hours Manager and Team Manager
 - Community Nursing and Community Therapy Teams
 - GPs
 - Community Health and Social Care teams
 - Marie Curie Service
 - Independent Sector
 - HR teams, Royal Devon University Health Care Trust
Workforce Development teams
- The post holder will be part of a Trust Administration team. This post may involve some evening/weekend working as required.

5. ORGANISATIONAL CHART

6. KEY RESULT AREAS/PRINCIPAL DUTIES AND RESPONSIBILITIES:

Note: It is recognised that each Division will have specific requirements for their ALM relating to their local objectives and strategic direction. Therefore, Divisions will need to add additional local responsibilities into the job description with reference to the key objectives set out above.

Supervisory and Human Resources

- Responsibility for the line management of a discreet group of administrative staff
- Leadership of administrative staff to foster a positive, supportive culture conducive to the effective delivery of administrative services
- Day to day scheduling of staff and workload to meet the needs of their Service Lines
- Day to day management of annual leave and sickness absence
- Formal performance management of staff such as objective setting, monitoring KPIs and documenting the relevant discussions
- Ensure all mandatory (essential) training, PDRs (appraisals) and sickness absence is correctly recorded on Trust database (ESR) in a timely manner

- Formal performance management of staff up to, but not including, final disciplinary/capability hearings
- Robust and effective recruitment of administrative staff to meet service needs
- Provide an effective link between administrative staff and senior Trust management, cascading information as appropriate and briefing the Administrative Services Manager and senior management on relevant issues
- Effective liaison and co-operation with all administrative Line Managers to share learning and ensure consistency of practice
- Ensuring that administrative staff work within the boundaries of all relevant Trust policies including HR, health and safety and relevant employment legislation
- To remain up to date and compliant with all HR policies and employment legislation
- Support the Division to meet all relevant performance indicators

Administrative functions

- Use multiple computer systems as required within the department such as PAS, NHS E-referrals, ESR
- Ensure accurate and up-to-date patient details are maintained on patient information systems such as PAS in line with Trust Information Governance policy
- Maintain health records and patient files in line with Trust Health Records Policy
- Support the ASM/CSM in ensuring that complaints are dealt with promptly and effectively and where appropriate, escalate if unable to resolve
- Execution of action plans in response to patient complaints or clinical incidents related to their administrative services

Service delivery/improvement

- Contribute to the NHS service improvement/modernisation agenda e.g. service redesign
- Lead on developing processes within the department to meet the demands of a growing service
- Participate in team and directorate meetings as required
- Contribute to audits regarding departmental procedures
- Have a flexible approach to working hours to meet the demands of the service
- Adhere to the Trust Access Policy and Health Records Policy and appropriate standard operating procedures, Key Performance Indicators, government targets and standard operational policies
- Assist the Administrative Services Manager or Clinical Service Manager in ensuring that day to day access issues can be resolved in an effective and timely manner

Communication

- Make and receive telephone calls both external and internal according to Trust standards
- Communicate effectively including discussion and written communication
- Proactively manage email communication in line with the RD&E's Email Best Practice guidance
- Provide excellent customer care, in a calm and professional manner – some situations may be challenging
- Organise and/or support team meetings through effective communication

Governance

- Undertake training as required to maintain competency/comply with trust policies
- Work within Trust policies – including those for confidentiality, data protection, health and safety fire protection, and annual appraisal
- Adhere to the Trust Access Policy, Key Performance Indicators, government targets and standard operational policies and procedures

Resource Management

- Responsibility for the effective maintenance of a discreet budget within their area of responsibility.
- Contribution to the delivery of Cost Improvement Program as required by the Division and the Trust.
- Provide cover in periods of absence as directed by department manager, this may involve moving to other areas
- Monitor use of supplies and stationery and ensure this is done efficiently and cost effectively in line with the needs of the service

Additional Responsibilities

- The post holder will be expected to carry out any other duties as required, commensurate with their pay band
- The post holder will be required to facilitate and support new starters to carry out their role
- The post holder will understand the limitations of the role and how to access support

OTHER RESPONSIBILITIES

Take part in regular performance appraisal.

Undertake any training required in order to maintain competency including mandatory training, e.g. Manual Handling

Contribute to and work within a safe working environment

You are expected to comply with Trust Infection Control Policies and conduct him/herself at all times in such a manner as to minimise the risk of healthcare associated infection

As an employee of the Trust, it is a contractual duty that you abide by any relevant code of professional conduct and/or practice applicable to you. A breach of this requirement may result in action being taken against you (in accordance with the Trust's disciplinary policy) up to and including dismissal.

You must also take responsibility for your workplace health and wellbeing:

- When required, gain support from Occupational Health, Human Resources or other sources.
- Familiarise yourself with the health and wellbeing support available from policies and/or Occupational Health.
- Follow the Trust's health and wellbeing vision of healthy body, healthy mind, healthy you.
- Undertake a Display Screen Equipment assessment (DES) if appropriate to role.

GENERAL

This is a description of the job as it is now. We periodically examine employees' job descriptions and update them to ensure that they reflect the job as it is then being performed, or to incorporate any changes being proposed. This procedure is conducted by the manager in consultation with the jobholder. You will, therefore, be expected to participate fully in such discussions. We aim to reach agreement on reasonable changes, but if agreement is not possible, we reserve the right to insist on changes to your job description after consultation with you.

Everyone within the Trust has a responsibility for, and is committed to, safeguarding and promoting the welfare of vulnerable adults, children and young people and for ensuring that they are protected from harm, ensuring that the Trusts Child Protection and Safeguarding Adult policies and procedures are promoted and adhered to by all members of staff.
