

“Our vision is to provide safe, high quality seamless service delivered with courtesy and respect. To achieve our vision we expect all our staff to uphold our Trust Values”

JOB DETAILS	
Job Title	Bookings Clerk
Reports to	Senior Research Administrator
Accountable to	Commercial Research Manager
Band	2
Department/Directorate	Patient Recruitment Centre, Research and Development Directorate

JOB PURPOSE

We are one of five NIHR Patient Recruitment Centres (PRC) in Exeter hosted by the RDUH dedicated to delivering late phase commercial clinical trials. Our research portfolio covers numerous clinical specialty areas, and our increasing portfolio means we are now looking to appoint a Bookings Clerk to support our busy PRC. You will work in a professional and efficient manner in liaising directly with research participants to facilitate appointments and visits as part of their involvement in clinical trials as well as performing general administrative duties.

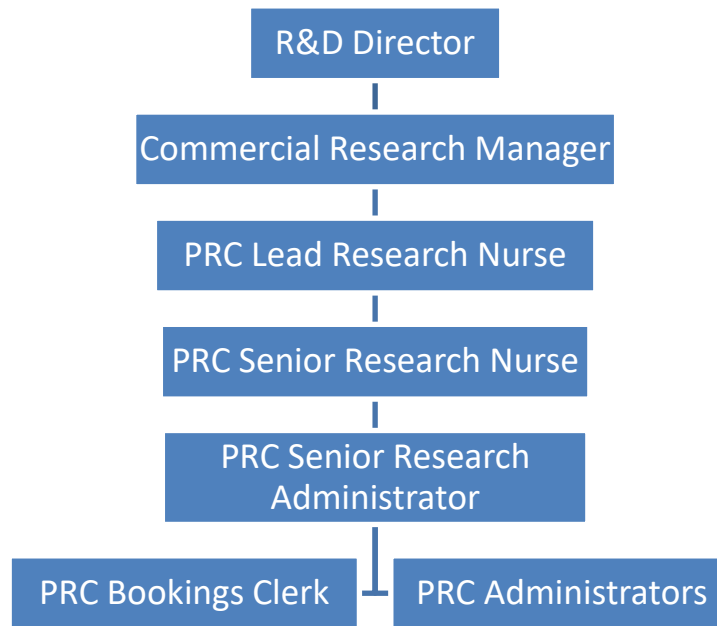

The post holder will work as part of the Patient Recruitment Centre team to support the safe conduct of research in accordance with the Research Governance Framework and Good Clinical Practice guidelines and provide assurance that the rights, safety and well-being of trial participants are protected.

KEY WORKING RELATIONSHIPS

The post holder is required to deal effectively with staff of all levels throughout the Trust, the wider healthcare community, external organisations and the public. This will include verbal, written and electronic media. Of particular importance are working relationships with:

- Study participants and their families and carers
- Members of the public
- Administrative teams supporting research set up and delivery
- Commercial Research Manager
- Clinical delivery teams
- Research and development team
- Study Principal Investigators and their clinical teams
- Health Records & IM&T Departments
- Clinical trials pharmacy team
- Study sponsors & Clinical Research Associates
- GPs

ORGANISATIONAL CHART

KEY RESULT AREAS/PRINCIPAL DUTIES AND RESPONSIBILITIES

Take a proactive role in providing all aspects of general administration and clerical work for the clinical research team including but not exclusively:

- Booking appointments
- Reception, greeting study participants and offering refreshments
- Make and receive phone calls, both external and internal
- Take messages, ensuring they are actioned and/or received by the correct recipient
- Ensure reception area is kept clean, tidy and professional looking at all times
- Ensure accurate and up-to-date patient details are maintained on patient information systems, in line with Trust Health Records Policy
- Provide excellent customer care, in a calm and professional manner
- Cancel clinics and re-negotiate new appointments with patients by telephone where required, in an empathetic and helpful manner
- Document preparation
- Email correspondence
- Completing letter templates
- Maintaining databases
- Filing
- Obtaining signatures
- Room bookings
- Ensure patient confidentiality is maintained at all times
- Contribute to service development by participating in admin team meetings.
- Adhere to Standard Operational Procedures and policies without supervision.
- Prioritise a busy workload and manage multiple tasks when frequently interrupted.
- Provide cover during periods of absence for other administrator assistants
- Undertake all mandatory training and take part in personal development reviews.
- Treat all persons encountered during the course of duties with respect and courtesy and maintain a standard of conduct which best represents the clinical trials team and the Trust.
- Recognise the importance of and contribute to maintaining the health, safety and security of staff and patients.

Support the team in on-going study coordination including:

- Conducting site file maintenance to ensure study essential documents are version controlled and maintained according to regulatory requirements.
- Update quality systems to record study information and enrolled patients' details.
- Coordinate and prepare documents for patient visits.
- Respond to patients/carers telephone calls (who may at times be distressed) tactfully and professionally.
- Collecting prescriptions or investigation results.
- Assist in study close out procedures including preparing study documents for archiving following archiving procedures.
- Support internal audit and monitoring.

COMMUNICATION/RELATIONSHIP SKILLS

- Facilitate and maintain effective communication across the areas where you have key working relationships (see Key Working Relationships section above).
- Maintain effective communication between the research team and patients tactfully and empathetically.

KNOWLEDGE & TRAINING EXPERIENCE

- Participate in Good Clinical Practice (GCP) training and ensures GCP compliance of self and team.

ANALYTICAL/JUDGEMENTAL SKILLS

- Prioritise workload effectively

PLANNING/ORGANISATIONAL SKILLS

Resources

- Responsible for ensuring study and office supplies are sustained by highlighting stock requirements to the Senior Research Administrator.
- Responsible for processing travel expense claims for patients.

PHYSICAL EFFORT

- Requirement to exert moderate physical effort. Research offices and teams may not be based where patients are seen or recruited, research team members are required to work across multiple sites at the RDE Wonford and where necessary Heavitree.

PATIENT/CLIENT CARE

- The post holder will contribute to ensuring the patient experience in the relevant trials is excellent ensuring patients are at the heart of service design and delivery.
- Ensure Trust policies are applied to support reporting of complaints and concerns by research participants that may be related to their participation in research and to ensure these complaints are appropriately managed and acted upon in accordance with requirements of the UK Policy Framework for Health and Social Care Research.

POLICY/SERVICE DEVELOPMENT

- Contribute to effective processes that support efficient administrative services.

HUMAN RESOURCES

- Undertake all mandatory training and take part in personal development reviews.

INFORMATION RESOURCES

- As described in sections Key Result Areas and Planning/Organisational Skills.

FREEDOM TO ACT

- The post holder will work autonomously within general policies and procedures guided by national policy and regulations and the Trust's own policies and guidelines.

PHYSICAL SKILLS

- The post holder will be required to use their IT skills including MS Office, Google docs, internet, databases etc. in order to monitor activity, systems and processes and to produce reports including in time-bound circumstances.
- Standard/good keyboard skills are required for the inputting data and/or information on computer databases.

MENTAL EFFORT

- Prioritise a busy workload and manage multiple tasks when frequently interrupted.
- Ability to manage multiple tasks at once and to prioritise tasks by importance.
- Accurate inputting of data in to records.

WORKING CONDITIONS

- The nature of clinical research is such that flexibility is required from the workforce. Periodically it may be necessary to move staff within the different specialties in order to meet the needs of the portfolio and maintain the required skill mix. Research provides a flexible service to research participants including the opportunity for evening and weekend appointments, the post holder will need to be flexible with working patterns in order to meet participant and study requirements.

OTHER RESPONSIBILITIES

- To take part in regular performance appraisal.
- To undertake any training required in order to maintain competency including mandatory training, e.g. Manual Handling.
- To contribute to and work within a safe working environment.
- The post holder is expected to comply with Trust Infection Control Policies and conduct him/herself at all times in such a manner as to minimise the risk of healthcare associated infection.
- As an employee of the Trust, it is a contractual duty that you abide by any relevant code of professional conduct and/or practice applicable to you. A breach of this requirement may result in action being taken against you (in accordance with the Trust's disciplinary policy) up to and including dismissal.

THE TRUST- VISION AND VALUES

Our vision is to provide safe, high quality seamless services delivered with courtesy and respect. To achieve our vision we expect all our staff to uphold our Trust values. Our Trust values are:

Honesty, Openness & Integrity

Fairness,

Inclusion & Collaboration

Respect & Dignity

We recruit competent staff that we support in maintaining and extending their skills in accordance with the needs of the people we serve. We will pay staff fairly and recognise the whole staff's commitment to meeting the needs of our patients.

We are committed to equal opportunity for all and encourage flexible working arrangements including job sharing.

We are committed to recruiting and supporting a diverse workforce and welcome applications from all sections of the community, regardless of age, disability, gender, race, religion, sexual orientation, maternity/pregnancy, marriage/civil partnership or transgender status. We expect all staff to behave in a way which recognises and respects this diversity, in line with the appropriate standards.

GENERAL

The nature of clinical research is such that flexibility is required from the workforce. Periodically it may be necessary to move staff within the different specialties in order to meet the needs of the portfolio and maintain the required skill mix. It may also be necessary to be flexible in working patterns in order to meet study requirements.

This is a description of the job as it is now. We periodically examine employees' job descriptions and update them to ensure that they reflect the job as it is then being performed, or to incorporate any changes being proposed. This procedure is conducted by the Manager in consultation with the jobholder. You will, therefore, be expected to participate fully in such discussions. We aim to reach agreement on reasonable changes, but if agreement is not possible, we reserve the right to insist on changes to your job description after consultation with you.

The RDE is a totally smoke-free Trust. Smoking is not permitted anywhere on Trust property, including all buildings, grounds and car parks. For help to quit call: 01392 207462.
