

JOB DESCRIPTION

JOB DETAILS	
Job Title	Assistant Practitioner
Reports to	Senior Therapist, Community Nurse Team Manager or Community Matron
Band	Band 4
Department/Directorate	Community Services

JOB PURPOSE
<p>The role of the Assistant Practitioner is to support the Nursing and Therapy practitioners by undertaking delegated aspects of their role for which they will have been trained and deemed competent. The Assistant Practitioner on completion of training always continues to act under the guidance of a registered practitioner.</p> <p>The Assistant Practitioner does not require daily supervision and should be able to take responsibility for their work within pathways of care and that of others within a broad framework laid down by and as directed by the supervisor of practice.</p>

KEY RESULT AREAS/PRINCIPAL DUTIES AND RESPONSIBILITIES
<p>The post holder will work as part of the Adult Health and Social Care Team delivering health and/or social care that focus on the direct need of patient/service users, within the home environment or alternative care setting.</p> <p>The post holder will work autonomously within the clearly defined boundaries of their assistant practitioner competencies and carry out specific delegated clinical tasks and responsibilities that may cross professional demarcations of care.</p> <p>As part of the multi-disciplinary team, they will provide a key role in providing care and support to individuals as specified in a written care or service plans, in a range of environments as outlined.</p> <p>The objectives are to support people, who need help because of age, disability or personal circumstances, to enable them to remain in their own homes or alternative care setting with as much independence as possible.</p> <p>To participate in the assessment process and contribute to the on-going monitoring and review of the goals set for an individual by the Adult Health and Social Care Team.</p> <p>To ensure that all activities undertaken with the patient, relative, carers or other people involved follow the policies and procedures laid down nationally and locally.</p> <p>There will be an element of lone working, remote working without direct supervision and supervising, teaching and involvement with the development of peers and other relevant team members, carers and clients.</p> <p>The post holder will fulfil all tasks and work as part of a team to meet the needs of the service. The post holder may be required to work in other areas as appropriate as directed by the line manager.</p>

To work as part of the multi-disciplinary Adult Health and Social Care Team to prevent admission and support early discharge from acute and community hospitals.

To assist and promote independent social and living skills based on a person centred approach.

To assist in the delivery of nursing and or therapy interventions as appropriate.

To feedback any outcomes/concerns/progression/deterioration with regard to the achievement of the set goals.

To maintain patient records using appropriate documentation for intervention carried out.

To enable and empower patients to develop self and environmental management skills.

To promote and facilitate access to community resources.

Enable individuals to sustain and improve their overall health and wellbeing.

Identify, act and minimise risk to patients and clients.

KEY WORKING RELATIONSHIPS

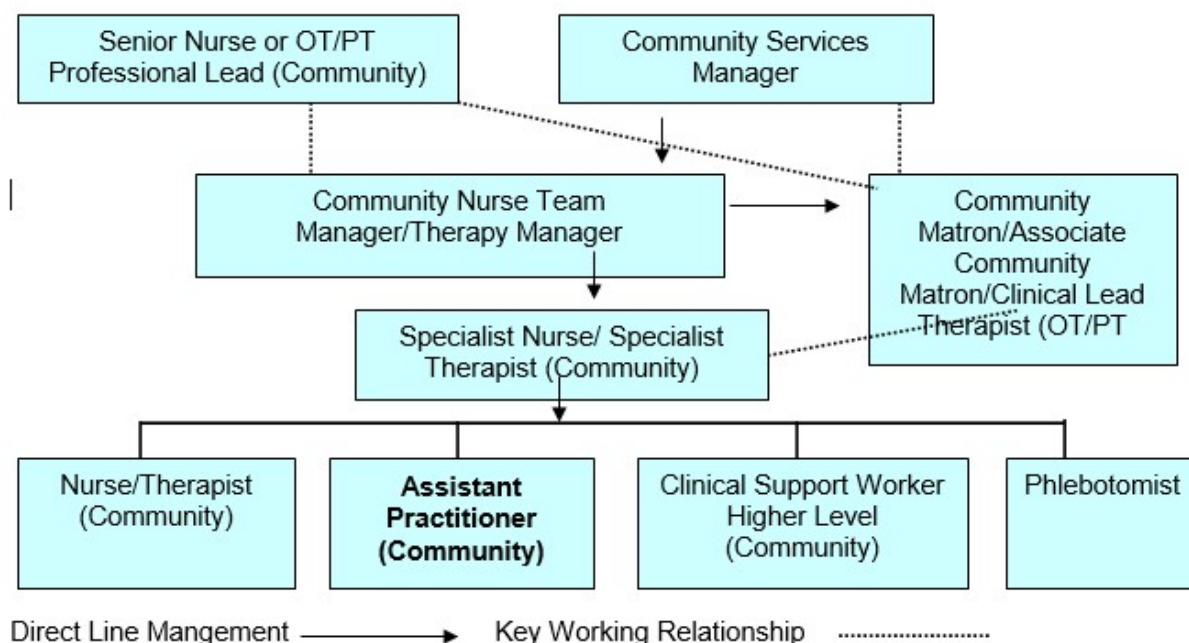

The post holder is required to deal effectively with staff of all levels throughout the Trust as and when they encounter on a day to day basis.

In addition, the post holder will deal with the wider healthcare community, external organisations and the public. This will include verbal, written and electronic media.
